E-FX sales: Rick Lloyd brings more than 30 years of industry experience to his new role

Electronic foreign exchange liquidity and distribution specialist Edgewater Markets signed Rick Lloyd as a Singapore-based director of e-FX sales in June, the company says.

Previously, Lloyd was a senior FX analyst and Asia manager at Reuters FX Buzz, a dedicated service for FX news and insight. He also served on the team as a core contributor to its global Treasury chatroom, The Dealing Room.

Earlier in his career, Lloyd held senior positions at global brokerage firms, and commercial and
